Hi, Ted –

Since the Sonoita Creek Ranch proposed mitigation site is on the agenda for Thursday's Rosemont site visit, our Wetlands Office wanted me to share the attached 3rd party evaluation of that proposal with you. Rob Leidy and Liz Goldmann, both of our Wetlands Office, will be at the site visit and can answer any questions.

I look forward to seeing you on Thursday.

Safe travels!

Kathy,

I've attached EPA's expert contractor review of the Sonoita Creek Ranch mitigation proposal by HudBay. Would you like to forward this to Ted Boling in advance of our site visit on Thursday in case he would like to review it?

Best,

Rob
